

How to Deposit a Check From Your Mobile Phone

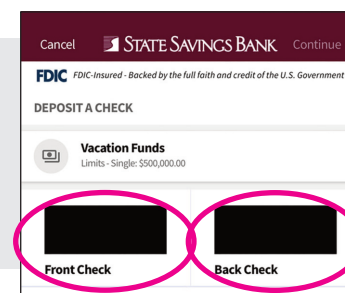

1. Find a dark background to take a picture of the check—preferably a solid color background with no patterns. Make sure the light in the room is bright enough so the check is clearly visible.
2. Make sure both the front and back of the check are filled out. The back must be endorsed by the payee and include this exact phrase:
For Mobile Deposit Only at State Savings Bank
3. Log into the SSB Mobile Banking app (not the website) and click “**Deposit**.”

4. Click “**Deposit a Check**.”

5. Click “**Front Check**” to take a photo of the front of the check. Then click “**Back Check**” to take a photo of the back. Make sure the entire check fits within the camera frame.
